ENG 732: Teaching Reading and Writing - Dr. Robert Kohls

English 732 is a course for MA TESOL candidates to learn about the teaching of reading and writing skills to adult non-native speakers of English. The course focuses on theory and research in ESL and EFL reading and composition, curriculum and lesson planning, teaching techniques and activities, materials selection and development, responding to student work, and assessment.

Applying to graduate school is a major milestone. Join us to see if we’re the right program for you. Come for any part of the open house.
